Stratis e-Suite™

A **new and innovative web-based solution** from CfBT Education Trust.

As a non-for-profit organisation our purpose is to provide education for the public benefit both in the UK and internationally.

We employ staff worldwide who support educational reform, teach, advise, research and train.

The surpluses we generate are reinvested in practice-based educational research.

Moderated middle management self-review

CfBT Education Trust, a leading education consultancy and service organisation, welcomes you to **Stratis e-Suite™**, a new and innovative web-based solution for schools that:

- enables you to undertake a school self-evaluation moderated by an external adviser
- supports robust self-evaluation by middle leaders that builds capacity at middle leader level
- transfers emerging issues from self-review into priorities for improvement
- embeds school priorities in team improvement plans
- creates improvement plans for subjects, aspects and key stages
- allows schools to control access by individual members of staff to all modules

Stratis e-Suite™ has four modules:

1. **Moderated School Self-Review (MSSR)**
2. **Moderated Middle Management Self-Review (MMMSR)**
3. **Single School Improvement Plan (SSIP)**
4. **Linked Improvement Plans (LIP)**

When taken together these modules enable clear and comprehensive school self-evaluation and improvement planning at whole-school and team levels

1 Moderated School Self-Review (MSSR)

- Practical guidance on how to generate and maintain high quality school evaluation data
- Supports evidence-based conversations with inspection and accreditation teams
- Uses best-fit statements covering a comprehensive set of indicators
- Produces a clear, colour-coded visual overview of performance in relation to evaluation questions
- Highlights good practice and identifies development priorities
- Records and stores evidence electronically and tags it to specific evaluation issues

2 Moderated Middle Management Self-Review (MMMSR)

- Supports robust self-evaluation by middle leaders
- Enables moderation by the senior management team
- Builds capacity at middle leader level

3 Single School Improvement Plan (SSIP)

- Helps schools plan effectively over a three-year period and beyond
- Transfers emerging issues from self-review into priorities for improvement
- Email alert system to highlight approaching deadlines for action points
- Electronic management for the entire improvement plan: sorts by person and by date
- Produces hard copy versions in printer-friendly format

- Links improvement planning, performance management and professional development

4 Linked Improvement Plans (LIP)

- Creates improvement plans for subjects, aspects and key stages
- Embeds school priorities in team improvement plans
- Supports clear accountability across the staff
- Transfers emerging issues from self-review into priorities for improvement
- Email alert system to highlight approaching deadlines for action points
- Electronic management: sorts by person and by date
- Produces hard copy versions in printer-friendly format
